F.No: IGFRI/FMPHT/ABI-Meet/2020

Date: 17.12.2020

Dear Friends,

ICAR-Indian Grassland & Fodder Research Institute, Jhansi since the establishment in 1962, has developed many farmers' friendly technologies which helped securing of livelihood of millions of farmers and achieving 1st position in milk production. Institute continued to stride and developing cutting edge technologies in feed, fodder and grass science. In this sequel institute is organizing an online “**Technology Licensing & Entrepreneurship Meet**” on 23rd December, 2020 under its Agri-Business Incubation Programme. The meet will have two sessions i.e. I. **Technology Commercialization & Licensing** and II. **Experience Sharing: Entrepreneurship Development in Feed and Fodder**. Programme is expected to be attended by agri-entrepreneurs, machinery manufacturers, representatives from dairy and seed industries, farmers, scientists/researchers from different ICAR research institutes/ SAUs/CAU/KVKs. The programme will be chaired by Dr Sanjeev Saxena, Assistant Director General (IP&TM), Indian Council of Agricultural Research, New Delhi.

The meet will be held on the Zoom platform from 10:00 AM to 2:00PM. Director, ICAR-IGFRI, Jhansi is inviting you to join the scheduled Zoom meeting using the link with Login Username and password as below:
